

Contract for Incomplete Grade

For official information regarding Incomplete grades visit the Berkeley Academic Guide: <http://guide.berkeley.edu/academic-policies/#gradestext>

Instructors and Students please read carefully:

- A grade of Incomplete (noted "I" on the transcript) may be assigned by an instructor if a student's work has been of passing quality but is incomplete for reasons beyond the student's control. The student must make arrangements for an Incomplete with the instructor before the end of the term.
- Incomplete grades are contingent upon instructor approval, and instructors are under no obligation to grant them. In cases where an instructor agrees to assign an Incomplete grade, it is important to arrive at an agreement about exactly what is required in order to finish the course, what percentage of the grade will be based on the remaining work, and what the student's deadline is. This Contract for Incomplete Grade will be used to document the agreement.
- The instructor (or College) will determine the deadline for the completion of coursework, however the "I" grade must be replaced no later than the following deadlines:

I Grade Received	Deadline for Replacement of I Grade
Fall Semester	First day of instruction in following Fall Semester
Spring Semester or Summer Session	First day of instruction in following Spring Semester

- Students are responsible for submitting the "Petition to Remove an Incomplete Grade" to the instructor for a final grade and signature. The instructor must submit the completed petition to the Registrar's Office or to the CED Office of Undergraduate Advising (not to the student).
- Work must be finished by the appropriate deadline, or if approved by the instructor, an "Extension of an Incomplete" request must be submitted to the CED Office of Undergraduate Advising by the deadline noted in the chart above.
- IMPORTANT: Students should *not* formally re-enroll in the course to complete the remaining work. If a student enrolls in the course again, the original I grade will convert automatically to a grade of F (or NP, if the course was taken on a P/NP basis), and the student may repeat the course subject to the conditions for repetition of courses.

Steps to Request an Incomplete Grade (Students):

- Meet with your instructor to request an Incomplete grade. If the instructor agrees:
 - Provide this "Contract for Incomplete Grade" to your instructor after completing the student section below.
 - Complete the last section of this contract with your instructor.
- Once the course work has been completed, you are responsible for submitting the "Petition to Remove an Incomplete Grade," available on the Office of the Registrar's website <<http://registrar.berkeley.edu/forms>>, to your instructor for a grade and signature. Work must be completed by the appropriate deadline, or if approved by the instructor, an "Extension of an Incomplete" form must be filed with the CED Office of Undergraduate Advising.
