- Update 2014: These exams are no longer offered, but will still be accepted if completed prior to 2014

UC Berkeley Policy: Students completing the International Baccalaureate (IB) diploma with a score of 30 or above will receive 30 quarter units (20 semester units) total toward their UC undergraduate degree. Students completing only IB certificates will be awarded 8 quarter units (5.3 semester units) for each IB Higher Level examination passed with a score of 5 or above. The University does not grant credit for certificates in Standard Level examinations.
