

Change of College/Major: ARCHITECTURE

Follow these instructions if you are either 1) Currently an enrolled student at UC Berkeley outside the College of Environmental Design (CED), or 2) a CED student wishing to switch majors. **Read these instructions carefully.**

Deadlines

Fall: October 1

Spring: March 1

Summer: July 1 (**final deadline**)

We will do our best to review petitions before enrollment begins for the next term.

Incomplete applications will be denied.

You will be considered for change of college only if you:

- **Apply by July 1 at the end of your Freshman year;** you must have completed (or be in progress in) at least one semester of coursework at UC Berkeley.
- Have completed or are enrolled in **Environmental Design 1, Math 16A or 1A, and the first half of the Reading and Composition requirement.**
- Are able to complete your degree within CED's semester limit (four semesters for transfer students and eight for freshmen admits; students pursuing Simultaneous Degrees are granted one additional semester).
- Have a GPA of 2.0 or above. The higher your GPA the better your chances of acceptance.

Applicants are assessed based on their current progress toward completion of the program, their ability to complete the program within the semester limit, their overall academic performance, and their essay.

Note: You may apply for change of college no more than twice.

You must submit the following materials:

- **The Change of College/Major petition.**
- **A completed graduation plan** that outlines how you will complete all requirements for the major, College, and University (including breadth).
- **A 750-word (maximum) essay** explaining your educational / professional goals and why you would like to major in Architecture.

IMPORTANT: Please make sure you are using the most up to date major handbook that corresponds with the year you were admitted to UC Berkeley.

Students who started at UC Berkeley in FL 12 or later must complete the major requirements that include two "tracks" (studio and design research) and 11-12 required major courses. See the major handbook that pertains to the year you entered Berkeley for more information.

CED Change-of-College Checklist

- I have read the front page of the change-of-college application for my prospective major, and I understand which requirements ***should be in progress or fulfilled with grades posted*** in advance of submitting my application.
- I have completed at least one fall or spring semester at UC Berkeley.
- I have run an Academic Progress Report in Cal Central for my prospective CED major, and I've used this information to formulate the graduation plan on my application.
- I have checked my GPA and it is at least a 2.0.
- If applicable, I have used the high school enrichment (AP, IB, and A-Level) document on the CED Advising website and I know which AP courses have fulfilled breadth requirements based on my scores. ***I have indicated which courses have been fulfilled through high school enrichment on my application.*** (See <http://ced.berkeley.edu/ced/students/undergraduate-advising/forms-documents/>)
- On my graduation plan, I have demonstrated that ***I can fulfill all breadth, major, college and university requirements within 8 fall and spring semesters, or 4 if I'm a transfer student.*** If I am planning to take some coursework over the summer, I have included this coursework in my graduation plan. If I am planning to study abroad and think that my study abroad program will qualify me for a 9th (or 5th semester, for transfer students,) I have indicated this on my plan.
- If admitted to UCB prior to FL 13, I understand that CED courses may not fulfill breadth requirements. *Students who enter UCB FL 13 and later may use 2 CED courses to fulfill breadth requirements.* Refer to the major handbook for more information.

College Requirements

- My graduation plan also shows that I will be enrolled ***in at least 12 units during each fall and spring semester***, and that the ***total number of units adds up to at least 120***. Also, I have made sure that I meet Senior Residency requirements: After 90 units, at least 24 of the remaining 30 units will be completed at UC Berkeley.
- I have not left anything blank.*** I wrote "IP" for "In Progress" for the courses I am currently taking or plan to take in the future.
- If I am applying for the Architecture major and was admitted to Berkeley FL 12 or later, I have selected either the Studio Track or Design Research Track and have included all requirements in my plan.
- I have made sure that courses only offered in the fall or spring are arranged accordingly in my graduation plan.
