

CED SAFETY INFORMATION

UCPD EMERGENCY NUMBER: 510-642-3333

CED FACILITIES DIRECTOR: Mike Bond

510-504-0520 mikebond@berkeley.edu

FIRE EVACUATION: In the event of a fire, exit the building as quickly and as safely as possible. Avoid using the elevators and do not go “up” in the building for any reason. Once you exit the building, move away from the building so emergency responders can easily access Bauer Wurster Hall. Our meeting place is the 1914 fountain located next to Bancroft Street between Berkeley Law and Krober Hall. Once you arrive at the fountain please check in with our role taker (currently Jill Martin).

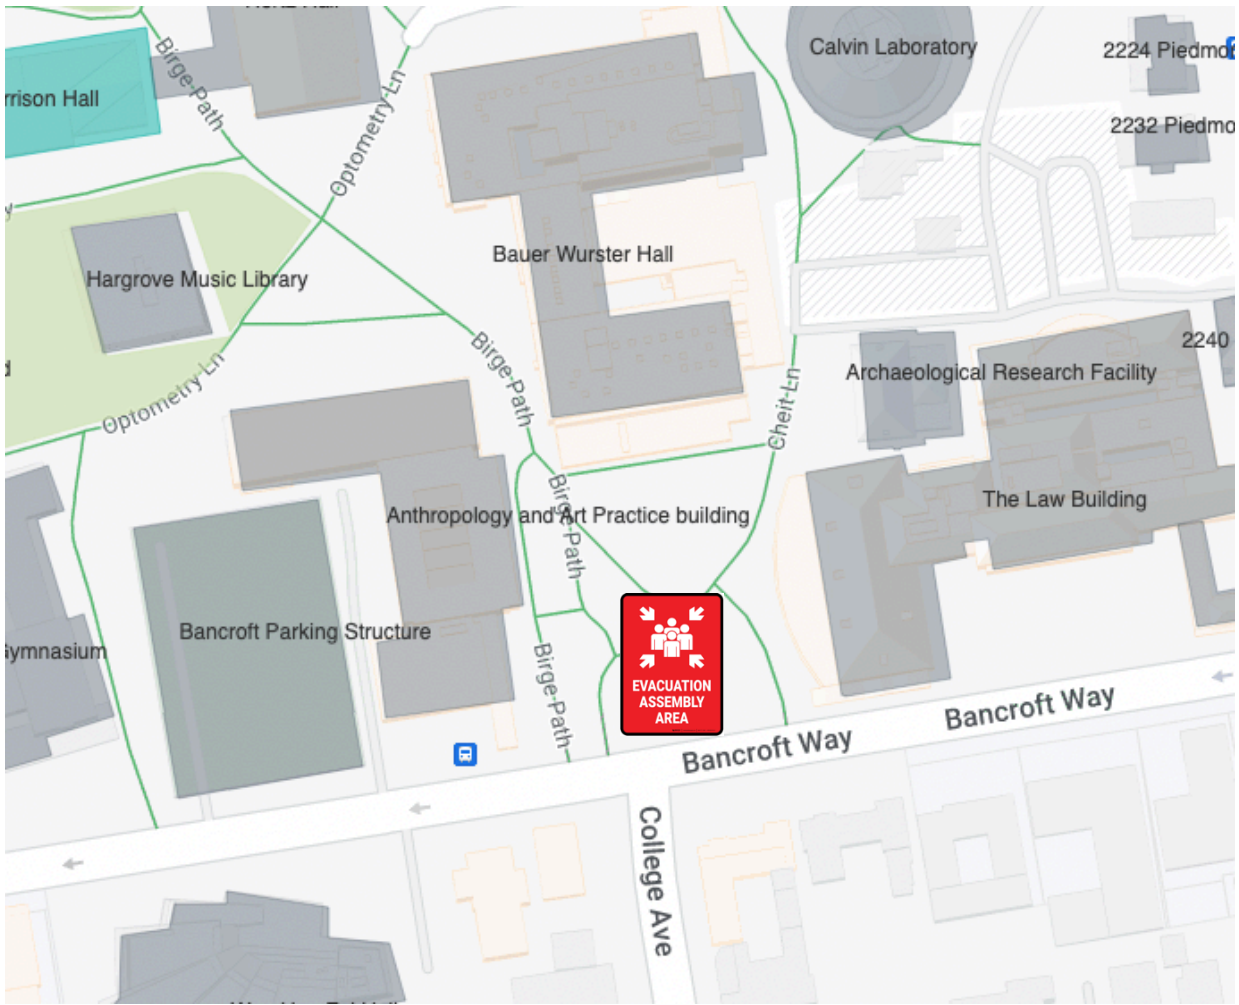

EARTHQUAKE EVACUATION: In the event of an Earthquake, drop and cover your head. If possible, try to get under a desk or table to protect yourself from falling objects. DO NOT stand in a doorway as things flying around the room might hit you. Once the shaking stops proceed out of Bauer Wurster Hall using the same protocol as listen above in the FIRE EVACUATION section.

ACTIVE SHOOTER ON CAMPUS: We recommend signing up for Crime Alerts through NIXLE on the UCPD Website. Alerts will be sent to your email and cell phone directly from UCPD in the event of any emergency. You can also learn more about what to do in case there is an active shooter on campus at <https://ucpd.berkeley.edu/safety/tools-survive-targeted-violence>

PUBLIC AREAS: Bauer Wurster Hall and CED welcome the public to come in and take advantage of areas such as our restaurant, restrooms, library, lobbies, and hallways. That said all visitors must be respectful of college business and refrain from entering private offices, classrooms, shops, and studios. The public must also not demonstrate any behavior that disturbs college business. For questions on what is public space in Bauer Wurster please contact CED Facilities Manager Mike Bond.

THEFT: As some of the areas in Bauer Wurster are open to the public, always make sure you lock your office and your valuables are never left in plain sight. Public areas inside the building include The Design Library, Rice & Bones Café, and all main hallways and restrooms. Private offices, office suites, classrooms, and studios are not technically considered “public spaces” and open to members of the public that have inquiries about CED or are here on business with the college.

DSP: Evacuation Assistance Chair is located on the first floor. DSP: Waiting areas are located on each floor and marked with appropriate signage. In the tower waiting areas are located in each balcony.
