- Use this form when there is a change to your graduation plan.
- A completed graduation plan that outlines how you will complete all requirements for the major, College, and University.
- A graduation plan should demonstrate that you are able to complete your degree within CED's semester limit (four semesters for transfer students and eight for freshmen admits; students pursuing Simultaneous Degrees are granted one additional semester).
- Review your updated plan with an CED Academic Advisor.

Please note which of the following University, College, and lower division major requirements you have either completed or have in progress (IP). If you have not yet taken the course or it is not in progress, please indicate the semester in which you plan to take the course. For requirements where you choose from a course list, it is not necessary to specify which course you plan on taking, you can just write in the requirement and term (ie. "Upper Div Outside Major", Spring 2021).
